

An aerial photograph of a dense city skyline, likely New York City, with numerous skyscrapers and buildings. A vibrant rainbow arches over the city, its colors appearing slightly faded or blended into the sky. The overall tone is dark and moody, with the rainbow providing a bright focal point.

THE CONSTRUCTION PHASE

Great work is done by people who are not afraid to be great.
- Fernando Flores

A photograph of an art gallery with a high, vaulted ceiling. In the foreground, a large, thick, white rope sculpture hangs from a wooden beam. Two people are seated on a low wooden bench in the middle ground. To the right, several colorful portraits are displayed on easels. The scene is dimly lit, with light coming from windows in the background.

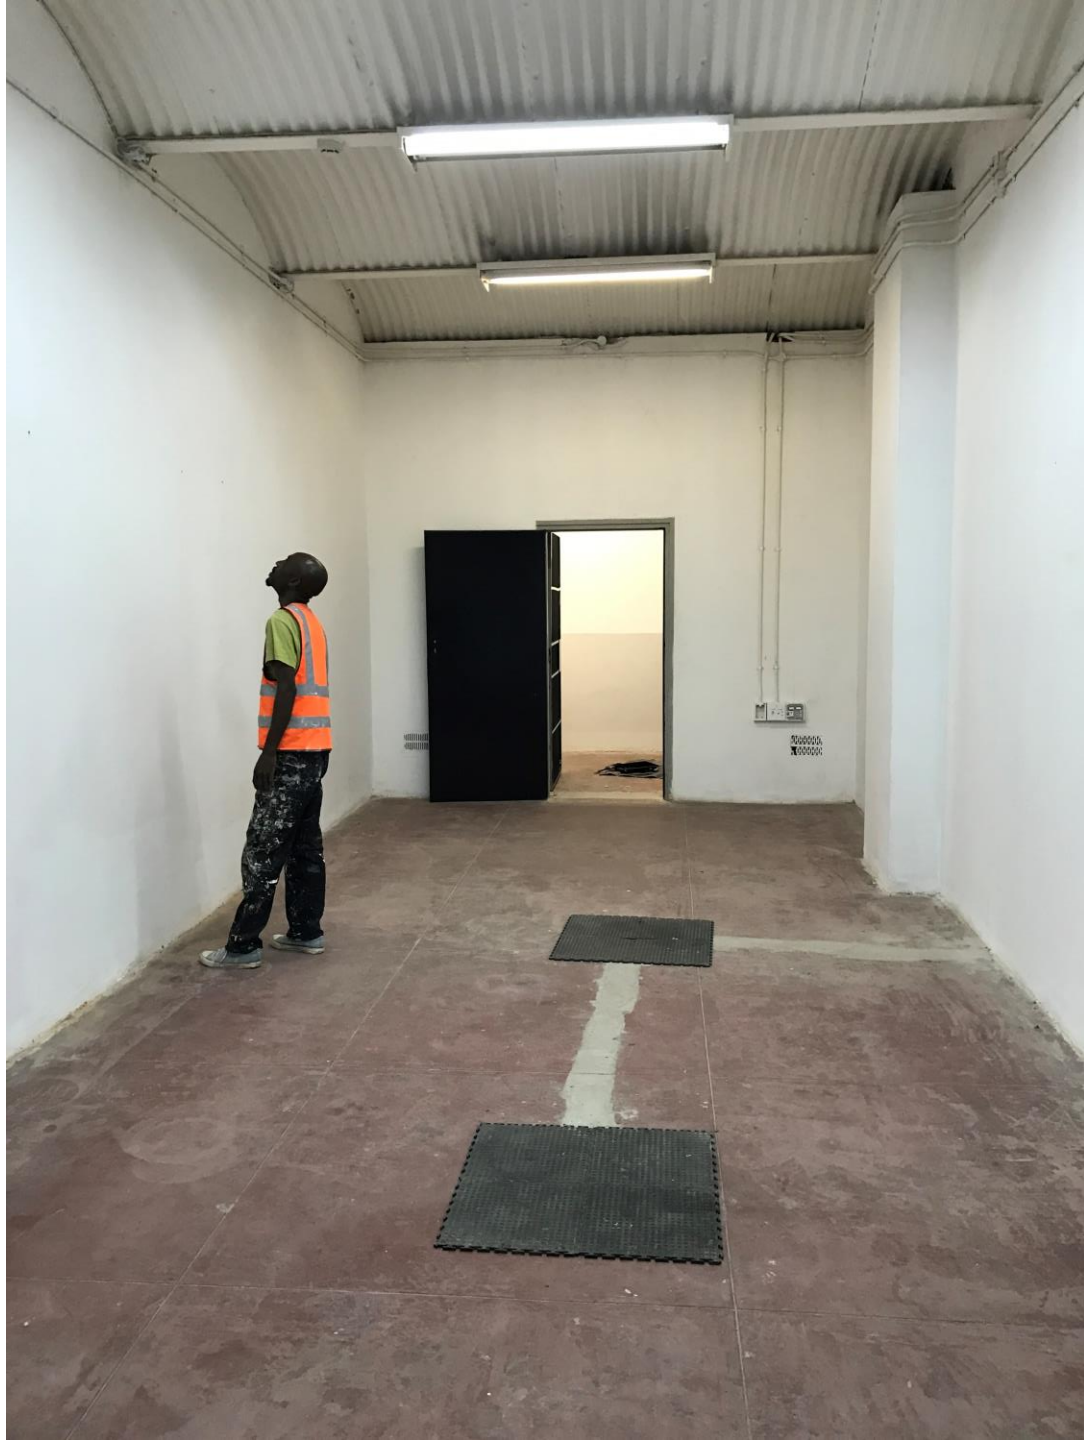

THE COMPLETION AND LAUNCH
